Thursday, 14th January, 2027

A.G.M. Thursday 24th June 2027

COUNCIL MEETINGS START 8pm

Points of Guidance For Club Secretaries

1. Home teams must give five clear days' notice of the match details to your opponents and the Referee; **see Rule 20.(C)**. That's Monday for Saturday matches, not Tuesday.
2. In the event of both teams having the same colours; it's the **AWAY** team that must change, **see Rule 19.(F)**. When arranging the match, check your opponent's colours.
3. For all the Bromley & South London F.L. competitions the team administrators for both the **HOME & AWAY** Teams must reply to their FA Full-Time Results Text with the score of the game in the required format, **see Rule 21.(B)**. All Outside Cup Results **MUST** be text to the Secretary mobile 07734 699 965. Saturday match results must be sent in by 5pm. Each team can have 2 team administrators set up on Full-Time and either of these administrators can send in the score-line.
4. Fully completed match statistics must be completed on the FA Full-Time website within 3 days of the game being played; **see Rule 21.(A)**.
5. Players registration is on the Club Portal. You can do emergency registrations on match days using the usual process – **but read Rule 18 carefully** – please check the player is not suspended from playing.
6. If you have 7 players you have enough to play a match, **see Rule 20.(D)**.
7. All teams should provide an Assistant Referee, **see Rule 23.(C)**. All teams must have a First Aid kit at every match.
8. Should it be absolutely necessary to cancel or postpone a match, then you must inform the League Fixture Secretary, the Referee Secretary, your opponents, the Match Officials and then your players, in that order, **see Rule 20.(E)(iii)**.
9. Please answer all correspondence immediately as requested by the League Officer, **see Rule 6.(I)**.
10. Any fine imposed on your Club will be increased in accordance with the fine tariff, if not paid within 14 days, **see Rule 6.(J)**.
11. The official kick-off times are shown **on page 6**. All our cup matches start 30 minutes earlier to allow for extra time & penalties. If you want to kick off earlier you must agree with your opponents & the referee, and you must inform the Fixture & Referee Secretaries.
12. You may use 5 substitute players on a roll-on-roll-off basis in all our League & Cup matches, but they must be nominated to the referee before the start of the match. **Please read Rule 20.(F) carefully**.
13. If you follow these points your club will profit, and the above are only a few pointers. All the League & Cup Rules should be read and understood. All our League Officers will be pleased to help you. If you are in doubt just phone them.
14. The season starts on 5th September and is hopefully completed by 8th May

HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the referee.

Control And Decision Making

- How well did the referee control the match?
- Were the players' actions recognised correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the referee always within reasonable distance of incidents?
- Was the referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the referee understand the players' positional intentions and keep out of the way accordingly?
- Did the referee demonstrate alertness and concentration throughout the match?
- Did the referee apply the use of the advantage to suit the mood and temperature of the match?
- Was the referee aware of the players' attitude to advantage?
- Did the referee use the assistants effectively?
- Did the officials work as a team, and did the referee lead and manage them to the benefit of the match?

Communication And Player Management

- How well did the referee communicate with the players during the match?
- Did the referee's level of involvement/profile suit this particular match?
- Did the referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
- Did the referee respond to the changing pattern of play/mood of players?
- Did the referee demonstrate empathy for the match, allowing it to develop in accordance with the tempo of the match?
- Was the referee pro-active in controlling of the match?
- Was the referee's authority asserted firmly without being officious?
- Was the referee confident and quick thinking?
- Did the referee appear unflustered and unhurried when making critical decisions?
- Did the referee permit undue questioning of decisions?
- Did the referee deal effectively with players crowding around after decisions/incidents?
- Was effective player management in evidence?
- Was the referee's body language confident and open at all times?
- Did the pace of the match, the crowd or player pressure affect the referee negatively?

Final Thoughts

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the match.
- Judge the performance over **the whole match**. Don't be too influenced by one particular incident.
- Don't mark the referee down unfairly because your team was unlucky and lost the match or some disciplinary action was taken against your players.

GUIDE TO MARKING REFEREES

Marking Scheme for Clubs

The FA Referees Committee has approved the following rules to the marking of referees by clubs. They are designed to simplify the system and to encourage clubs to think carefully about the marking of referees.

The 1-100 marking scheme will be sub-divided into four categories as follows:

Mark Range	Comment
100-86	The referee demonstrated very accurate decision-making and controlled the match very well using management and communication skills effectively to add value to the match.
85-76	The referee demonstrated accurate decision-making and controlled the match well using management and communication skills to contribute positively to the match.
75-61	The referee demonstrated reasonably accurate decision-making and despite some short comings generally controlled the match well.
60 and below	The referee demonstrated shortcomings in the accuracy of decision-making and control which affected the match.

Club officials should use the full range of marks within each category to help distinguish between different performance levels e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.

Whilst some referees may have poor matches there will usually have been some positive aspects of their performance so extremely low marks should be very rare.

When club officials are marking a referee they should always look at **the match as a whole** and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.

Referee marks of sixty or less must be accompanied by a letter explaining the low mark to the Referee Secretary, within four days of the match. The purpose of this explanation is to assist referees to improve their performance levels so the comments should be as helpful as possible.

Appendix A – The Player Registration and Result Process

- **Players are registered through The Whole Game System**

(wholegame.the.com) Clubs should have at least one administrator setup, as part of the affiliation process but it is recommended that person sets up several alternative Team/Registration Administrators to lessen the burden. Whole Game Player registration tutorial document is available to download from the leagues website and the FA.

- **Clubs** should acquire all the details set out on the Player Registration form (available from the leagues website) for the player wishing to sign for their club.

- **Player Consent is a Mandatory Requirement**

Clubs are responsible for obtaining player consent either by, email sent directly to players email address, which they confirm by clicking link in the email.

Or by Signed Consent, recorded on the league's Player Registration form, which can be Downloaded from the league website. If signed consent is obtained as opposed to email consent, then the original document must be retained by the club for future scrutiny by the FA, County FA or League Management Committee. It may be good practise to obtain and retain player registration forms for every player at your club even if the player has consented via Email although not obligatory.

- **Photographs** of Passport quality are required by the league when registering a player, these are uploaded/added as part of the procedure of registering the player through the Whole Game System.

- **Registration Deadline** – Players can be registered up to Midday on Saturday through Whole Game and they will be approved as long as, all consent and a photograph is submitted by this time.

- **Emergency Registration** – A Player may sign for your club on a Matchday, he will need to complete and sign the league player registration form which must be countersigned by a member of the opposing team or the referee. Clubs then have 3 days to complete and submit the player registration details through Whole Game System, and a copy of the countersigned Registration form need to be sent to the registration Secretary at registrations@bslfl.co.uk. Up to a maximum of 3 players maybe signed in this manner. The onus is on the club to ensure a player that is registering is not indebted to another club or has signed to any other team in the league.

- **Transfers** – Players may transfer between clubs in the league if a transfer form is completed and a transfer administration fee is paid to league. Approval will be sought from the player's former club by the league. A player may only transfer a maximum of 3 time during a season.

The transfer procedure may take up to 5 working days and no player may transfer under the emergency registration procedure.

- **Registered and Approved players** will appear in your club's Full Time roster of players, please note at busy periods this may take a few hours. Any Registration problems must be reported to the Registration Secretary who will investigate.

- **Match Results Sheet** are submitted to league through the FA Full Time System

Club can nominate as many team administrators as they like to help in this process. A guide to Full Time System can also be found from the league's website or the FA.

- **SMS Result Text** – on a Matchday, the 2 club nominated officials will receive a sms text message from the Full Time System and on completion of the match, the result of the game must be sent back to this text message. Both home and Away sides are required to do this. (Reply home & away score in the following format H-A e.g. 3-2) This must be submitted to the league by 6pm latest on Saturday or by 10.30pm on a weekday.

- **Online Result Sheet** within 3 day of a match excluding Sunday (this means Wednesday for a Saturday Match), a club must complete the online result sheet on Full Time with all the information required:

- Names of all Players that participated in the Match
- Starting or Substitute status of all players
- Goals and Goal scorers
- Referee Mark out of 100 (Referee marked less than 40 must have a separate report submitted to referees secretary detailing the low mark – referees@bslfl.co.uk)
- Sportsmanship Mark of opposition
- Day of week home club advised opposition of the match

Failure to carry out any of the above procedures correctly may result in your club being fined, Players being deemed ineligible to play, and may result in the game being awarded to your opponents
